MEET YOUR

2021 HOST

Mathew Blades

Hi, I'm Mathew Blades and I'm a TEACHER FAN! I've been hosting these awards since sophomores were in kindergarten. Feel free to check that math please. I wake up SUPER early each day, way before you, because for money I work as a personality for iHeartRadio's Mix96.9 with my friend Priscilla. Together we make up the Mathew & Priscilla show. We just took our first names and put one of those & things in between it. Usually Priscilla is hosting with me, but earlier this year she decided to go back to school to get her Esthetician license. She's probably shaving someone's face off as you read this. All while telling them, it will be ok in a few days. When I'm not on the radio, listening to music, fishing, camping or coaching Youth hockey I'm passionate about a new project in conjunction with the MDTP called, Title 1 Tech. We've raised close to \$80K so far and served close to 500 families with the tech they need to stay connected to their teachers. So, if you are a teacher at a Title 1 school you can apply for tech by going to www.milliondollarteacherproject.com Click the link to apply. If you want to get involved, here's how: Share any social you see on my IG: @mathewbladesmedia Partner up and host laptop drives for high quality GENTLY used laptops. As a company when you switch out your laptops, let us have them (certified company to securely wipe). Give what you can, including the AZ TAX match, give that match to MDTP and put Title 1 Tech in your comments. Have a lemonade stand this summer and give us the proceeds? OR we can do the last one and skip all this.... Write us a check for \$2.2 million. Much love to you for allowing me into your lives and homes for the Excellence in Education Awards, it is TRULY a highlight of the year for me.

NAMED SCHOLARSHIP PROGRAM

The Diablos would like to recognize the following individuals who have each played an important part in advancing the Tempe Diablos Scholarship Program. As a token of our appreciation for each of them, a scholarship has been named in their honor. These scholarships are awarded annually.

Brantly Aldous

Brantly Aldous was the daughter of Rudy and Lee Guzman. Rudy served as President of the Tempe Diablos in 1991 and owned and operated a large construction company in Tempe for over 40 years. In 1992, Brantly, a native Arizonan who enjoyed life to the fullest, was preparing to graduate from Corona Del Sol High School when she died tragically at the age of 18. The Brantly Aldous Scholarship was established in her memory.

Rudy Guzman

Rudy Guzman joined the Diablos in 1978 and served as Diablos President in 1991-1992. He founded what became Guzman Construction Company, which he managed and operated until his death in 2012. During his lifetime, Guzman Construction employed thousands of workers and constructed basic framing and trim work for approximately 50,000 homes in the Phoenix area. Rudy served on numerous Boards of Directors, including the Fiesta Bowl. He was also known as the "honorary mayor of Rocky Point" for donating hundreds of hours of his time and thousands of dollars of his own funds to improve the lives of the citizens of Rocky Point, especially its youth.

Dr. George & Janie Hamm

Dr. George Hamm joined the Tempe Diablos in 1971 and was President of the Diablos in 1980-1981. He came to Arizona State University (ASU) in 1962 as Dean of Students and became Vice President for Student Affairs in 1972. Dr. Hamm was also President of the University of Texas at Tyler from 1981 to 1998. Dr. Hamm was convinced early in his career that ASU needed to be more active in attracting larger numbers of outstanding students from the Tempe area high schools by recognizing and rewarding them with scholarships for their school accomplishments. This interest led him to design and establish the Tempe Diablos Scholarship Program in 1977. To date, this program has been an overwhelming success with hundreds of students from the Tempe high schools benefiting from these scholarships.

NAMED SCHOLARSHIP PROGRAM

Tom Lober

Tom Lober joined the Tempe Diablos in 1972 and served as Diablos President in 1981. He was a successful advertising and marketing executive for a large homebuilding organization and also served as Executive Director of the Tempe Chamber of Commerce for several years. He was extremely passionate about the Diablos' mission of enhancing quality of life in the community of Tempe and the Diablos' role as official hosts of the Fiesta Bowl.

Harvey & Marge McKemy

Harvey McKemy became the first Superintendent of the Tempe Elementary School District in 1938. He retired as superintendent in 1962. Harvey, along with his wife, Marge, established a scholarship endowment at Arizona State University through their early estate planning which became a major part of the Diablo Scholarship program established in 1977. This made it possible for many outstanding Tempe area high school students to attend ASU. Their primary goal was to support outstanding students with an emphasis on leadership qualities with the hope that these scholarship recipients might become involved after graduation in civic and leadership roles in their Tempe community. McKemy Middle School is named for Harvey. He was active in numerous civic organizations and was named an Honorary Diablo. He passed away in 1979.

Henry Pylman

Henry Pylman joined the Diablos in 1970 and served as Diablos President in 1979. He had a highly successful career in dairy farming in Tempe and Chandler. He was very involved in the community over the years and his community involvement touched many organizations including the Tempe Diablos, the Tempe Chamber of Commerce, Chandler Rotary, Scottsdale Rotary and the Fiesta Bowl Committee. In addition, numerous charities benefited from Henry's generous donations. Henry passed away in August of 2000.

NAMED SCHOLARSHIP PROGRAM

*Leon & Carol Shell*

Leon Shell joined the Diablos in 1977 and served as Diablos President in 1985-86. He was liaison and coordinator for the Tempe Diablos Scholarship Program with ASU for the inception of the program (started by Dr. George Hamm) from 1977 until his retirement from ASU in June of 1999 where he served as Dean of Students for 28 years. Leon also initiated the Diablos Educational Excellence Program for the Tempe High School District in the spring of 1985 to recognize outstanding students and faculty at an annual spring banquet. Additionally, he served on the Tempe Chamber of Commerce Board of Directors for 15 years as ASU's liaison to the Board.

*Robert Sorgatz*

Robert Sorgatz joined the Diablos in 1990 and his efforts were largely focused on improving youth, education and civic services. Some of his most special efforts were geared toward being the Diablo historian/photographer and making sure the scholarship programs were well documented and funded. Robert loved people and he was dedicated to his community. He was an active member of the Tempe Rotary and served as its president for the 1990-1991 term. He served on the boards of the Tempe Adult Day Care, the United Way, and the East Valley American Heart Association.

NAMED ENDOWED SCHOLARSHIP PROGRAM

This program was established in 1982 with a substantial estate gift to the Tempe Diablos by the late Harvey McKemy. An expansion of the program was launched in 2007 by establishing named scholarship endowments for individuals gifting \$35,000 (now at \$50,000) to the endowment fund. The Diablos would like to recognize the following individuals who have made such gifts and to express our heartfelt gratitude for helping to perpetuate this great program for many years to come. These scholarships are awarded every four years.

*Craig & Sandy Ankeney*

Craig joined the Tempe Diablos in 1975 and served as Diablos President in 1985-86. He helped build Schaefer Smith Ankeney Insurance Agency into the largest independent Insurance Agency in the State of Arizona. He was an original member of the Fiesta Bowl Committee and has served 10 years on its Board of Directors including its Executive Board for four years. He also received the Fiesta Bowl Volunteer of the Year Award in 1980 and is now a Life Director. He served as a member of The Sun Angels and as a member of its Board of Directors for five years. Craig and Sandy have lived in Tempe since 1962 and have a passion for giving back to the community – especially through the Diablos.

*Joseph Bongiorno*

*Steve & Tina Bork*

Steve joined the Diablos in 1993, and served as the Diablos President in 2002. His company, Rowley Plastering, is one of the largest stucco and plastering companies in the valley. Helping disadvantaged children has been a passion of the Borks for many years and their gift to the new Diablo Scholarship Endowment Program was one of the first received. Steve remains an active life member of the Diablos while enjoying another passion as a gentleman rodeo cowboy.

NAMED ENDOWED SCHOLARSHIP PROGRAM

*Dean & Roz Jacobson*

Dean Jacobson joined the Tempe Diablos in 1985. He is an Engineering Faculty Emeritus at Arizona State University after being a faculty member for 30 years. Dean is president and owner of Forensic Engineering, Inc., a Tempe firm and a board member for Southwest Mobile Storage, Inc.

*Don & Barbara Liem*

Don Liem was a founding member and charter president of the Tempe Diablos. Most of Don's career was spent as a partner with homebuilding company, Knoell Homes, which he helped grow into one of the regions largest and most prestigious. Don was a founding member of the Tempe United Fund and in 1965, was awarded the Tempe Jaycees Distinguished Service Award for highest contribution for the betterment of Tempe by an individual under 35. Don and Barbara were active in a third world orphanage program, Nuestros Pequeños Hermanos, which serves more than 5,000 children annually. In 2003, Don and Barbara received the Celebration of Life Award for their countless efforts in touching the lives of children. Don received the Spirit of Tempe Award in 2001 for his lifetime achievements of service and work to improve the quality of life in Tempe. The Diablo family lost Don in July of 2018.

*Doug & Linda MacArthur*

Doug MacArthur is a founding member of the Tempe Diablos and became President of the Tempe Diablos in 1972. His community service also included founder and past president of the Sun Devil Club /Sun Angel Foundation. Doug was also the legal Advisor to the Tempe Chamber of Commerce.
