

2018 Kids + Cops Holiday Shop

EVENT INFO

Kids + Cops Holiday Shop

The Tempe Police Foundation is partnering with Tempe PD, Maricopa County Sheriff's Office, the FBI and the Arizona State University PD for the Third Annual 2017 Kids+Cops Holiday Shop. Officers nominate children that they meet on calls for service who they feel would benefit from an uplifting holiday experience. These children gather at the Hardy Substation on a Saturday morning in December for a hot breakfast, crafts, specialty police displays (including SWAT, K9 and mounted) and a visit from Santa. They are escorted with lights and sirens in police vehicles to a local retailer for their holiday shopping spree with their nominating officer. Each child gets \$150 to spend on their families and themselves.

Tempe PD and our partners rely completely on community donations (funding and in-kind) to make this event happen. All contributions are tax deductible as they are made to The Tempe Police Foundation's 501(c)3.
